JOIN KIBO AND SELL MORE

Become a Kibo Fulfillment Partner and join a network of over 14,000 retail stores fulfilling online orders for more than 800 branded manufacturers across 40 industries.

BENEFITS

Increase Sales

Customers that pick up online orders in local stores make additional purchases 40% of the time. Grow sales fulfilling orders for brands you already stock.

Gain Customers

Increase store foot traffic and brand loyalty while acquiring new ready-to-buy customers that are delivered right to your door.

Stock Smarter

Access real-time sales data from 800+ Kibo brands to make better decisions about the products you carry.

ADDITIONAL DETAILS

Obligation Free

Registration is simple and there's no obligation — you choose which orders to fulfill.

Easy to Use

Kibo is easy to use, yet flexible so you can receive new sales on your own terms.

Transparent Transactions

See the amount you'll be paid before requesting to fulfill an order.

Reliable and Secure

Kibo assumes responsibility for credit card fraud and handles the accounting.

Ongoing Support

Kibo provides ongoing support with call centers and self-service help portals.

Guaranteed Payments

Receive automatic payments each week for every order you fulfill.

HOW IT WORKS

1. Customers place orders on the manufacturer website.

2. Kibo fulfillment partners specify which orders they want to fulfill.

3. Orders are assigned to the closest stocking retailer.

4. Fulfillment partners ship orders to customers or make them available for in-store pick up.

5. Retailers receive guaranteed payments for all fulfilled orders.

SELL EVERYWHERE. FULFILL ANYWHERE.

Kibo is a leading omnichannel commerce platform for retailers and branded manufacturers with over 800 customers fulfilling orders in 75 countries. Clients achieve optimal performance and loyalty through truly connected customer experiences across customer devices and retail touchpoints. Kibo's unified approach includes a leading ecommerce platform, big data 1:1 personalization, mobile POS, and distributed order management delivered via a modern, cloud-based infrastructure. The Kibo platform can scale as clients grow their business while maintaining a low cost of ownership and faster time to market than other solutions. Kibo enables you to reach higher peaks of sales and customer loyalty. No matter the challenge, Kibo powers your success.
